Distance PRO App ("we", "us", or "our") respects your privacy. This Privacy Policy explains how we handle your information when you use our mobile application ("the App").

## Information We Collect

We do not collect, store, or process any personal or non-personal data from users.

The App does not require you to provide any personal information such as your name, email address, location, or any other identifying details.

## Data Usage

Since we do not collect any data, we do not use any personal or analytical data for any purpose.

All app functionality operates entirely on your device and does not transmit information to us or any external service.

## Data Sharing

We do not share, sell, rent, or disclose any data to third parties. No information is transmitted outside of your device at any time.

## Data Storage and Security

Because we do not collect or store any user data, there is no user information to secure or manage.

All operations and data remain within the App on your device.

## Changes to This Privacy Policy

We may update this Privacy Policy periodically. Any changes will be reflected in the updated version within our website (if applicable).

Please review this Privacy Policy occasionally to stay informed about how we protect your privacy.
